QUOTE. "Dear Mr. Prime Minister:

Your message of understanding and support for the steps  
my government is taking to remove the serious threat of Soviet  
aggression in this hemisphere has greatly heartened me. Personally  
and on behalf of the American people, I send my deep thanks for  
this renewed manifestation of friendship and determination to  
join with us in whatever steps may be necessary to allay the  
fear of unprovoked aggression and to preserve international  
peace."

Sincerely,

John F. Kennedy
